

Environmental Policy

Based on our guiding principles ebm-papst A&NZ Pty Ltd is dedicated to achieving total customer satisfaction with a commitment to taking care of the environment and the prevention of pollution. We will engage our staff, suppliers and customers to ensure we operate in a culture that strives for high environmental standards in everything we do.

ebm-papst A&NZ Pty Ltd fully supports and adopts our Group Environment Policy.

This Policy, together with our local Company Policy, is freely available to all staff on our local intranet and covers the following scope of our Environment Management System:

Final assembly and sales of fans, motors, blowers, pumps, assemblies and associated controller.

August 2010
