

Press release

2017 HVAC&R Trade Exhibition, New Zealand

The ebm-papst A&NZ team is getting ready for the annual 2017 HVAC&R Trade Exhibition at the ASB Showgrounds in Auckland this May. The trade exhibition runs alongside the HVAC&R Industry Conference organised by [IRHACE](#) & [CCCA](#) and is the only expo in New Zealand that focuses on the heating, ventilation, air conditioning and refrigeration industry.

Located at stand 56, ebm-papst A&NZ will be featuring the new AxiBlade. The AxiBlade's modular design provides optimal air pressure for every application and is easily installed or retrofitted. Visit us at the trade show or arrange a meeting between April 3rd and May 5th at our Auckland office to see the AxiBlade up-close, in the new training unit.

Our team of highly knowledgeable engineers will be at the exhibition to answer all your fan related questions. From energy efficient refrigeration solutions to noise reduction, ebm-papst fans are leading the way in EC technology and optimal fan design for HVAC&R applications.

Whether you are a consultant, architect, product designer, engineer, or OEM manufacturer, the 2017 HVAC&R Trade Exhibition event should be on your calendar; May 11th to 13th, at the ASB Showgrounds in Auckland.

Contact our Auckland office to view the AxiBlade before everyone else!
