

S Force - the Ultimate Performer

ebm-papst St Georgen have developed the ultimate performer in compact fan technology—S Force.

The new technology from ebm-papst has developed compact fans with:

- Superior air flow
- Steep pressure curves
- Superb efficiency
- Silent commutation
- Sturdy design

ebm-papst St Georgen have developed S Force by overhauling all the elements in a compact fan:

Improved motor dynamics

New blade designs and technology

Forceful housing and venture supports.

This new technology from ebm-papst will move air like no other product.
