Centre of Excellence Launch at ebm-papst A&NZ Melbourne

As a global company acting locally, ebm-papst A&NZ invests in its people and its customers in Australia and New Zealand. The recent construction of a new Centre of Excellence, located at our head office in Melbourne, enables us to grow our local service capabilities.

The facility enables our engineers to continue to provide customers with high quality technical solutions and conduct advanced research in the form of testing and product analysis for our Australian and New Zealand customers. The Centre of Excellence houses an R&D facility, a test rig in accordance with ISO5801, a product analysis area as well as a development area specifically set up for control solutions.

Customers and contacts from industry and government are invited to attend the official launch of the new Centre of Excellence. It will be held at ebm-papst A&NZ's Melbourne headquarters in Laverton North in **Q2 2018**. Speakers from industry and council are anticipated to present insights into expanding local service and quality capabilities, and senior management will share their experience and vision on expanding local capabilities.

Centre of Excellence Launch Preliminary Agenda:

- 8.30am - Sign in
- 9.00am - Welcome
- 9.10am - Speakers (TBA)
- 11.10am - Official launch and opening of the Centre of Excellence
- 12.00pm - Facility Tours
- 1.00pm - Conclusion

To attend please call **+61 3 9360 6400** or register via Eventbrite:
